CAREER OBJECTIVE

To apply my knowledge and problem-solving skills in a dynamic environment, contributing to impactful software solutions while continuously learning and growing in the field of technology

EDUCATION

APJ Abdul Kalam Technological University

Sahrdaya College of Engineering and Technology

CGPA: 7.86 (Till S7)

Bachelor of Technology

Oct. 2021 – Jun. 2025

Carmel Higher Secondary School, Chalakudy

Computer Science

Percentage: 93.75%

Higher Secondary

2020 – 2021

CMI Public School, Chalakudy

Computer Science

Percentage: 83.2%

High School

2010 – 2020

PROJECTS

reviveLAB | Unity, C#, AR, 3D Modeling

- Developed an AR application to simulate the PC building process and assist in debugging errors.
- Built using Unity and C#, with custom 3D models to enhance visualization.
- Guides users step-by-step in assembling components and identifying potential issues.
- Designed to provide an interactive and user-friendly AR experience for PC enthusiasts.

EduAR | Vuforia, Unity, Blender

- Created EduAR, an educational app using Vuforia, Unity, and Blender.
- Enables interactive learning through augmented reality models.
- Enhances understanding of complex concepts with real-time 3D visualization.

LeadCentral | Flutter, Firebase

- Developed LeadCentral using Flutter and Firebase for efficient lead management.
- Designed intuitive UI/UX to streamline lead tracking and communication processes.
- Implemented Firebase backend for real-time data synchronization and secure storage of lead information.

INTERNSHIPS

ZIUKE INFOTECH PRIVATE LIMITED, Thrissur

Web Development Intern, IT & Web Development

- Developed web applications using Django and Python.
- Designed and implemented responsive and user-friendly websites with a scalable backend architecture.

December 2024 – Present

CYGNUS IT SOLUTIONS, Thrissur

Intern, Mobile Application Development

- Developed Flutter-based mobile apps, integrating Firebase for seamless user experiences.
- Designed wireframes and prototypes with Figma for effective stakeholder communication.

June 2024 – December 2024

TECHBYHEART, Ernakulam

Intern, Cyber Security and Ethical Hacking

- Gained hands-on experience in vulnerability assessment and penetration testing.
- Applied theoretical knowledge to real-world scenarios in threat detection and mitigation.

May 2023 – June 2023

SKILLS

Languages: Java, Python, C/C++, SQL, JavaScript, HTML/CSS, R, Flutter

Frameworks: React, Node.js, TailwindCSS, Django

Database: Firebase

Developer Tools: Git, Docker, Visual Studio, Figma, Blender, Unity

Design Tools: Adobe Photoshop, Adobe After Effects, Davinci Resolve, Canva

SOFT SKILLS

Verbal and Written Communication, Team Player, Flexibility
